OFFICE OF PETITIONS

**DECLARATION**

- 1) My name is Jeffery C. Johnston. This statement is made under penalty of perjury. All statements and contents herein are based on my first hand knowledge of the relevant events and documents.
- 2) I am employed at 2741 Middlefield Road, Palo Alto, California 94306, and part of my employment includes the preparation of materials and paperwork on behalf of the inventors relevant to this application, Matt Taylor, et al.
- 3) I assembled the materials and papers for the patent application of Matt Taylor et al. referenced above ("Application").
- 4) Figures SS2-30A, SS2-40, SS2-92-93, SS3-11 and SS6-2 were included in the Application.
- 5) Figures SS2-30A, SS2-40, SS2-92-93 were included within the 99 sheets of the Appendix. Figures SS3-11 (24 of 28) and SS6-2 (27 of 28) were included within the 28 sheets of Tables and Drawings that preceded the specification in the application package.
- 6) I have verified the authenticity of the above information by checking the duplicate Application that was made immediately prior to the original Application being sent to the Office, and which I thereafter retained in my custody and control. The copies of Figures SS2-30A, SS2-40, SS2-92-93, SS3-11 and SS6-2 attached hereto are exact duplicates of versions included in the above said application.

Submitted under penalty of perjury, this 5 day of March, 2002:

  
Jeffrey C. Johnston, Ph.D.
